Winemaker: Eli Hepp and Mark Warren.
Colour, bouquet, palate:
 This has started to evolve, bottle-aged complexity, giving it some Bordeaux-like traits that will please those with a taste for the classic wine style. The bouquet has touches of mint, mulberry, plum, earth, black olive and undertones of cedar oak. The flavours are all soft primary: rich plum and black berries. A cabernet backbone gives the wine power of fruit. It's full-bodied and long flavoured with fine tannins.
